

**All academic and incidental fees are payable at the time of registration.**  
**Fee & Refund Schedules are available on the St. Augustine's website: [http://www.staugustines.on.ca/current\\_students/fees\\_and\\_refunds](http://www.staugustines.on.ca/current_students/fees_and_refunds)**

Diocesan Seminarians will be billed through their diocese or congregation; all other students are to pay their tuition and fees through their bank with exception of invoices sent directly from St. Augustine's Seminary for fees listed below.

**The Senior Bursary:** St. Augustine's Seminary will discount Seniors [age 65 or over] 50% of the tuition amount of their invoice.  
The amount will be entered onto your account as an award and your account will be adjusted accordingly.

**Invoice Conditions:**

**Non-Conjoint Students:** until a new registration system is in place, invoices will be sent from St. Augustine's Seminary and are to be remitted to St Augustine's Seminary of Toronto.

**Conjoint Degree Students:** All fees and charges posted to the student's ACORN/ROSI account are payable when billed. Students are responsible for planning sufficient time for payments to reach the University's bank account and to be recorded in the student's ACORN/ROSI account by the payment due date. The transfer of funds from major Canadian financial institutions normally takes three to five business days, however the transfer from Canadian credit unions and financial institutions from outside Canada can take much longer. Students who enrol in courses agree by virtue of that enrolment to abide by all of the academic and non-academic policies, rules and regulations of the University and of their academic division, confirm responsibility for payment of associated fees, and agree to ensure that the accuracy of personal information such as the current mailing address, telephone number, and utoronto.ca email is maintained.

A student's registration is not complete until he or she has paid tuition and incidental fees, or has made appropriate arrangements to pay. Students who defer fee payment or who payment is deferred pending receipt of OSAP or other financial assistance, acknowledge that they continue to be responsible for payment of all charges, including any service charges that may be assessed. You are expected to monitor your account on the ACORN.
