

TST BOARD SCHOLARSHIPS & AWARDS 2019 Donald Cameron Memorial Award

This award, to honour the memory of Donald Cameron, who served the Toronto School of Theology in a number of capacities over many years including Chair of the Board of Trustees and Chair of the Development Committee, and had a deep commitment to the wider community, recognizes excellence in projects planned and completed by students during their basic degree program, and which engaged them with the wider community beyond the Church.

Total amount to be awarded: \$3,600

Application deadline: Thursday, March 28, 2019, 4:00 pm

The award is available to one or more students in good standing in the final year of their basic degree program at TST; or in the first year of a graduate degree program immediately following their basic degree program.

Applications will be judged on the impact that a project or activity has had within the wider community beyond the confines of the Church, and on what the student learned from the project or activity that will help his or her further ministry to enhance the relationship between the church and wider society. Examples of what a project might include: organizing a community group, advocating for a local cause, facilitating an ecumenical or inter-faith group, or publishing a community newsletter.

The successful applicant will be informed in early May 2019.

Please ensure you read the “General Information for Applicants” document before applying, found at the web address below.

Applicants should submit the following (except for the letter of nomination), all in one envelope labelled with the applicant’s name and the name of the scholarship:
